

Austin Long

I don't know

what I learned

I learned
how to add a
hyperlink.

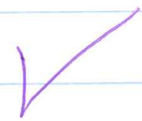

A hyperlink is a link on a
website that takes you to
another site. ✓

A HyperLink is a link
that you load on to something. 7-8

I Learned how to add
a hyperlink to a PPT
doc. 7-8

Grace B.

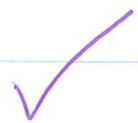

A link on one website or presentation or email that links to another thing.

7-12

Lily Robinson
