

Laura has come  
such a long way  
with her typing - you  
should be very proud  
of her. I am.

marley loves to help  
others during computer  
class. she is an  
excellent teacher

what a super young  
man Colin is. we  
have been working on  
Research Skills lately.  
He was my first student  
who realized the site was  
fake. He is very observant.
